Dear SOS Ladies,

As we enter this beautiful season of Easter, we are reminded of renewal, hope, and the joy of new beginnings. It is a special time to reflect on our faith, cherish our traditions, and celebrate the blessings of family, friendship, and community that bring us together as Sicilian women.

This is a reminder that April is our month for officer nominations. We will be accepting nominations for the following positions: President, Vice President, Secretary, Treasurer, and Member at Large. We encourage everyone to prayerfully consider getting involved or nominating a fellow member.

Voting will take place in May, and our new officers will be officially installed in June. Wishing you all a joyful and blessed Easter season!

CELEBRATING OUR CULTURE

Holy Week

In April, many Sicilian towns begin preparing for one of their most unique and historic Easter traditions called La Settimana Santa in Sicilia (Holy Week). Throughout the week leading up to Easter, communities come together for solemn and beautiful processions, where statues are carried through the streets, often accompanied by music and candlelight.

One especially moving tradition is the "Mysteries" processions, where different groups represent scenes from the Passion of Christ. These events can last for hours and even overnight, showing the deep faith and strong sense of community that is so central to Sicilian culture.

Even though we may be far from Sicily, these traditions remind us of the importance of coming together, honoring our faith, and passing down these rich customs to future generations.
