SOS Ladies

Dear SOS Ladies,

There's not much happening this month, but we didn't want to miss the chance to send warm wishes to all the mothers in our club—and to those who miss their moms—Happy Mother's Day. May your day be filled with love, comfort, and beautiful memories.

We also have an important update: the club is now able to accept credit card payments for dinners, raffles, dues, and other miscellaneous items. Please note that there will be a small upcharge when using a card to help cover the processing fees charged to the club by the credit card company. Dinner will now be \$26 when paid by credit card. Other payments—such as raffle tickets and membership dues—will also include a slight increase if paid by card.

CELEBRATING OUR CULTURE

May Traditions

In May, the town of Noto in Sicily hosts the famous Infiorata di Noto, a breathtaking flower festival usually held on the third weekend of the month. During this celebration, artists create elaborate carpets of flowers along the streets, forming intricate designs that often depict religious scenes, mythology, or Sicilian culture. The event transforms the city into a vibrant, fragrant work of art and is a beloved tradition that celebrates spring, creativity, and devotion.
