PRESIDENT'S MESSAGE

Jon Taormina

Brothers-

As most of you know the restaurant where the Women's Club usually meet has had a fire and will be closed for an unknown amount of time. Last month we invited them to our meeting, so they had a place to conduct business and it worked out great. Oh, and by the way, the meal was spectacular.

We had a bit of weather at our annual picnic but thanks to Napredak Hall we were able to relocate indoors.

Everyone had a great time, and the food was great as usual. Thank you to all the volunteers that helped get this event off the ground.

Yet again Joe Rotolo has donated money to the Club. This time in the amount of \$500 from the YMI Club. Thank you, Joe, for all your donations and for just being a great guy.

We are looking for volunteers for our next fundraiser at the Little Italy Festival on October 2nd. We will have a sausage sandwich booth and need help wrapping and selling. This event is a lot of fun, and we have the opportunity to make some money for the Club.

We still have tickets available for our first wine tasting event. On October 21st at Joseph George Wines, we are having a private tasting with light hors-d'oeuvres. This is a dress up event that starts at 5:30 PM. Tickets are \$65 for one or \$110 for two. Limited availability so don't miss out. Call Bob Scaletta at 408-485-8814.

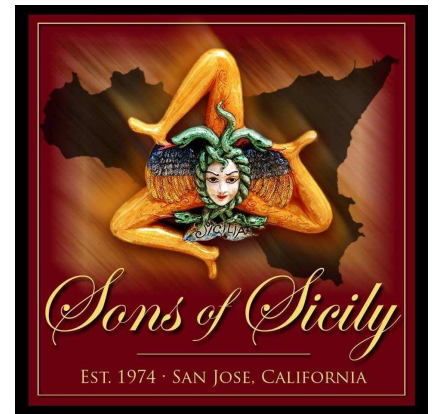

As a reminder to the membership, when you are bringing a guest to any event, we require a call to Mike Maltese. The cooks need to have a head count to make sure we have enough food for all. With the price of food increasing, our hard-working kitchen staff want to be as fiscally responsible as possible.

Grazie,

Jon Taormina

Olive Oil –

It's almost that time of the year: Olive and grape harvest season in Sicily. This month I'd like to mention Sicilian olive oil, which is one of the highest quality in Italy.

Sicily accounts for 10% of Italy's olive oil production. The olive was first introduced to Sicily in the 6th Century BC by Greek settlers and olive oil has been produced on the island ever since. Our olive orchards are located in Santa Ninfa on the western side of the Island.

Some believe that Sicilian extra virgin olive oil is the best Italian olive oil. It is certainly a matter of taste, but Sicilian olives such as Nocellara and Tonda Iblea are of the highest quality. So is the extra virgin oil from which they are produced.

Sicilian olive oil is one of the best Italian olive oils, which is still made the old fashion way as many have done for centuries!
